As the university's largest sports club you're guaranteed to meet lots of people and make friends for life. While we're waiting for the snow to fall we have plenty of good activities to keep you occupied! O-Week welcomes our newest members with our Parma tour around Melbourne's finest pubs. March brings summer BBQs and our famous summer Oh-Weekend Camp down at Phillip Island. In April we have the River Cruise which is always a night to remember, see our beautiful city from the Yarra with a heap of MUSKI friends and a few drinkies! The Pre-Season party welcomes the dawning of the winter season and the arrival of the spectacular MUSKI trips. When we're not partying it up on the slopes we have BBQs at uni and pub nights at our favourite pub PAs! To wind up the year we have the night of nights- the SnoBall!
