Let's look at the benefits of going on a MUSKI trip

Obviously you get to spend time carving up the slopes and practicing your passes, lessons, accommodation, ski hire and MUSKI fun

organising car pooling or advising you on train/bus times

don't worry-we party as much as we ski!

you get to spend time with a big group of people and will develop life long friendships!

MUSKI hosts several trips each season to Mt Buller and Mt Hotham. Trips this year are: Buller Week

Perhaps the greatest week of the year. You arrive at the lodge, put your beer in the snow, your gear in a room and realise there's no chance of actually skiing on the day you arrive. Its just going to be too much fun for that! 42 of MUSKI's finest partying it up for 6 days and 5 nights. What more could you ask for? Well...we asked.....and we received. This year, our good friends at SnowFox are organising a bit of a surprise for us. We can't tell you about it just yet, but we can say it involves drinks and entertainment. All inclusive packages available including lift tickets, lessons and some (responsibly served) beverages at the lodge. If you can find a better week for less money, you're in Mexico!**Mexico doesn't have snow, so come to Buller Week.
