## About MUSKI

## About MUSKI

The Melbourne University Ski Club was established way back in 1929, when recreational skiing in Victoria was only in its infancy. Since then, MUSKI has grown to become one of the largest and most successful sporting clubs at the University of Melbourne, currently reigning over both the Victorian Intervarsity and Australian University Championships. Today, MUSKI offers our members an awesome experience both on and off the mountain through our dirt cheap skiing trips, our extremely successful racing program and our wild and frequent social events. You don't have to be Shane McConkey to join MUSKI, many of our members learn to ski with us and we have the connections to set beginners up with all of the gear they need. Despite the name, MUSKI also has much to offer the non-skier, with our social program providing the perfect tool to round out your university education. MUSKI is all about lifelong friends, making crazy fun memories with those new friends and having the best night out followed by blazing fresh trails in the morning. We make winning fun.

Our aims are to:

- Develop skiing within the university community.
- Provide our members with the best value ski trips out there.
- Support members at all levels from beginner to elite racer.
- Throw the best parties on campus and run regular BBQs.

## What You Get For Joining MUSKI

What, the opportunity to be friends with us isn't enough? Ok, we'll spell it all out for you. Not only is membership a paltry \$20, but the moment you join, you score a free MUSKI t-shirt to wear with pride and a showbag of goodies. You get to come on our amazing ski trips (how often do you get to go skiing with 40 other uni students? Seriously, ask anyone who has been on Buller Week), which are great value because we source the best deals and discounts, plus we have cheap Ski Hire if you don't have your own kit. You score solid discounts from our fantastic sponsors and get a copy of our quarterly newsletter, Off Piste. Furthermore, we offer free twice weekly SkiiFit sessions so that you can get into shape without spending your beer money on gym fees! We organise regular BBQs throughout the year, providing free sausages, vege burgers, soft drink and beer to our members. Finally, MUSKI throws the best social events on campus, such as our Warren Miller nights, river cruise and the only way to send off the season, the legendary SnoBall. There are so many reasons to become a MUSKiteer that our hosting charges would send us bankrupt if we tried to list them all! So what are you waiting for?

If you've got any further questions, the FAQ gives further information, or feel free to drop us a link at [freshtracks@muski.org](mailto:freshtracks@muski.org). We'll see you at the next event!

Love,

Your 2009 committee xoxo
